

# Filler of Contouts

and the second

## The Road Not Taken

by Robert Frost

Two roads diverged in a yellow wood, And sorry I could not travel both And be one traveler, long I stood And looked down one as far as I could To where it bent in the undergrowth;

Then took the other, as just as fair, And having perhaps the better claim, Because it was grassy and wanted wear:

Though as for that, the passing there Had worn them really about the same,

And both that morning equally lay In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way, I doubted if I should ever come back.

I shall be telling this with a sigh.

Somewhere ages and ages hence:
Two roads diverged in a wood, and
I — I took the one less traveled by,
And that has made all the difference.

bove. Many people pause every day to take in the view from the "99."

LLOWSTONE

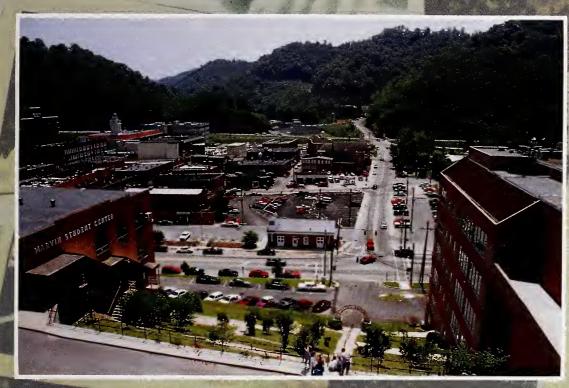

Opposite Top: We're here, Pikeville College. Now the educational journey begins.
Opposite Bottom Left: A familiar sight to travelers. Highway signs direct the way to P.C.

This one points out the exit from U.S. 23.

Bottom Center: The path up the "99" leads to success, even on this winter morning.

Below: All roads lead to Pikeville College.

Bottom Right: Are we there yet? A West Virginia sign counts down the miles to P.C.

W. TEXAS.

#### Homeward Bound

When you ask someone where they are from, chances are that they will reply with a local town such as Prestonsburg, Pikeville, or Paintsville. Most students enrolled are from Pike and Floyd counties in Kentucky However, it is also likely that someone in one of your classes is from some other-state. Pikeville College students hail from a variety of locations. Although the majority are from surrounding counties in Kentucky, many are from the neighboring states of West Virginia, Virginia, and Tennessee. But student enrollment does not stop at bordering Appalachian States. Other states representated on the hill include Michigan, Arizona, Pennsylvania, Florida, and Illinois. -- By Clyde Spence

The End Of A Journey

Right: The Shriners stop by to contribute to P.C. Pictured are George Wells, Gerri Kinder, Challie Lucas, and President Owens. Right and Over: Even on his birthday, President Owens takes time to help keep the campus beautiful. Bottom: Gerri Kinder and President Owens are very grateful Governor Patton hosted an alumni reception at the Governor's Mansion in Frankfort.

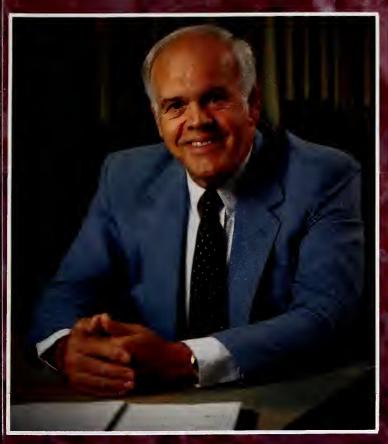

Opposite, Top, Left: President Owens pauses from his work.

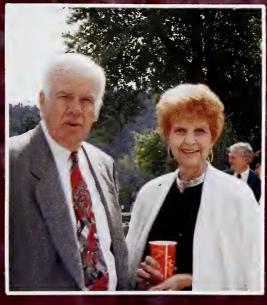

Opposite, Top, Right: President Owens gratefully accepts a half-million dollar gift from Governor Patton for the Pikeville College School of Osteopathic Medicine.

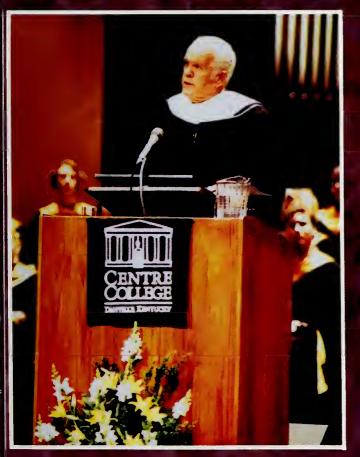

Middle: President Owens and his wife, Jackie, are enjoying the festivities at this year's Founders' Day luncheon. Bottom: President Owens receives an honorary doctorate from Centre College in January. He was affiliated with the college from 1965-1985.

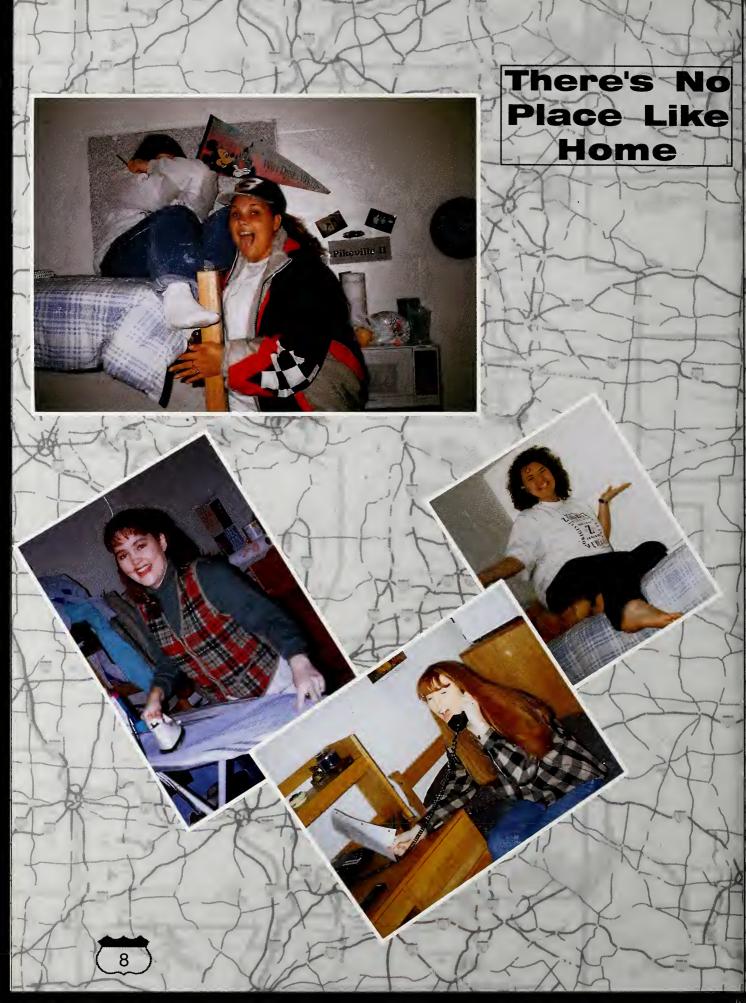

In 1985, William H. Owens arrived on the Pikeville College campus to assume the duty of President. He came to PC from Centre College in Danville, Ky., where he had served in a variety of positions.

Since President Owens came to Pikeville, many changes have taken place on campus. During his administration, some major improvements have included: the conversion of the old hospital building into today's Allara Library; the annex and elevator in the Record Memorial Building; and, the remodeling of the Administration Building, with an elevator servicing the Administration Building and Wickham Hall. President Owens also worked to bring a medical school to Pikeville College.

His contributions have been many, as he has given the college a foothold to make even larger strides in the twenty-first century.

-- By Clyde Spence

The students of Pikeville College who live on campus reside in either Condit Hall, Page Hall, or Wickham Hall. All three dorms have had incredulous adventures this year. Water overflowed in Wickham, Condit was visited by friendly bats in the second floor bathroom, and one of the suites in Page was damaged by a fire. All this happened in just the fall semester. The dorms provide students with a social as well as academic life. Both are necessary for a productive college career. —By Stephanie Warrix.

Every morning, many students awake to the sound of their alarms, shower, dress, reach for their Mt Hope books, and grab their car keys. They hit the road again, on their way to Pikeville College. After finding that elusive parking spot, they gather at the elevators on the first floor of Record Memorial. The life of a commuter is often rushed and demanding, but at the end of the day, they returned to be sweet home.

each other during the Mountain Laurel reception.

#### And The Winner

The "crowning" event to the 1996 Founders' Day was, in fact, the crowning of the Pikeville College representative for the Mountain Laurel Festival. The Festival was held at Pineville in May of 1997,

Before all the glitz, glamour, and announcements, the candidates are a group of female nominees who are judged on the basis of poise, personality, and manners. The judges remained anonymous and observed the nominees for four days until the announcement on October 10th.

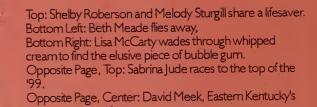

The 1996 Pikeville College Mountain Laurel candidate were Angela Anderson, Christie Chapman, Patrese Danielle Damron, Suzanne Deskins, Jamie Fields, Valeri Fields, Hershena Hanshaw, Wendy Justice, Hope Leste Lisa McCarty, April Murphy, Barbi Narramore, Melissa Ratliff, Rita Ratliff, Pamela Slone, Ruthie Stepp, and Raquel Stone. The candidates hosted the Pikeville College Birthday Party. One of their duties was to serv the drinks and birthday cake. The announcement of the winner was made by Dean of Students, Ron Damron. This year the winner was Christie Chapman, and the fir runner-up was Barbi Narramore. -- By Stephanie Warni

Activities

## **Field Trips**

When someone mentions field trips, thoughts of long bus rides that lead to an amusement park seem to come to the minds of many. Although none of this year's classes went to amusement parks, some of them did take educational side trips. Some of the locales that PC students visited included a Kentucky **Press Association** Conference in Louisville, a theater in Abingdon, Virginia, and places within the city limits.

During WSAZ's Bus Tour to Pikeville, weekend anchor Rob Johnson interviews Kendra Hurley, a student in Chandra Arts' Public Speaking course.

The Pikeville College group gets ready to board the bus to the Barter Theater in Abingdon, Va. Stephanie Warrix, Pam Slone, Brian Joyce, and Gordon Hensley accompanied faculty member Chandra Arts to Louisville for the KPA winter conference.

Melissa Mullins and Amy Muncy appear very interested as they tour the Pikeville Methodist Hospital pharmacy with Bryan Hearn's Pharmaceutical Chemistry class.

# **Speakers Travel From Far and Near**

Edo Nyland from Alberta, Canada, came to PC to study the Kewannee stone which was found in the Island Creek area. Dr. Laurence W. Fredrick, an Astronomy professor at the University of Virginia, presented two lectures discussing his part in the Hubble Space Telescope and pre-scientific astronomy. Dick McKinney, a retired business consultant and 34-year-employee of Proctor and Gamble, paid a visit to our campus again this year. He offered assistance in resume writing. The pre-professional club welcomed a local veterinarian and members of the U.S. Army Health Care Recruiting Team to speak to their group. Faculty members also became speakers by taking part in the math/ science lecture series during the fall semester. --by Kelli Chafin.

Top: Assistant professor of Speech Basil Clark's Advanced Public Speaking class presented "Poetic Healing: A Vietnam Vet; Journey from a Communication Perspective."

Above: Linguist Edo Nyland talked to members of the college community about his results from his study of the Kewanee Stone.

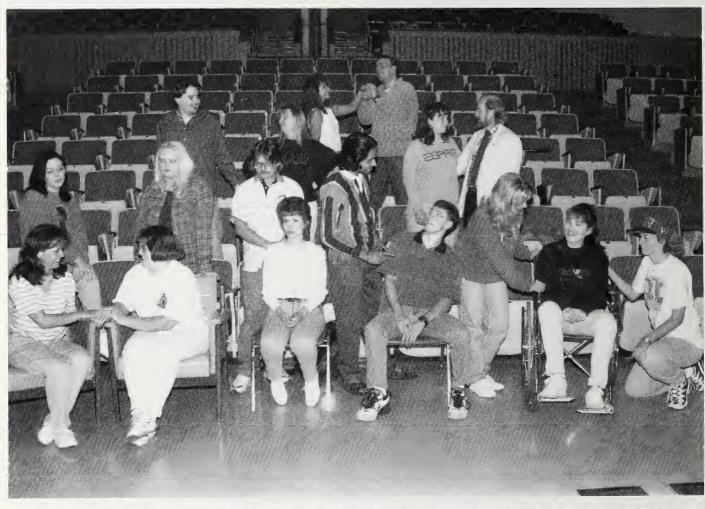

Top: Associate Professor of Business Education Brenda Maynard sits and talks with Dick McKinney.
Bottom left: One of the presentations this year was on "Endangered Cats."
Bottom right: The PC community was treated to a lecture by Native American Wesley Thomas.

## DRAMA CLASSES

Top: The Fundamentals of Acting class performed "Two Evenings of Shorts," a series of seven plays.

Right: Amber Moon, Jamie Tucker, and Lisa Akers (in bed) in a scene from Neil Simon's "California Suite."

Left: The Fundamentals of Theatre Class performed "The Christmas Eve Hijack Caper."

Bottom, left to right: Florene Burgess, Kelli Mullins, Johnna Hughes, and Amanda Wallen in "Overtones."

## RETURN OF MUSIC TO PC

Music has returned to the PC campus. Brad Daniels formed a show choir made up of PC students, a community choir, and a pep band. The show choir and pep band made their debuts during Founders' Week. The show choir's performances of "An American Music Revue" and "A USA Spectacular" were very successful. A Christmas concert, in which all three groups participated, was held in December. Featured were traditional songs and selections from the Messiah. by Kelli Chafin.

Top: Members of the Community Choir practice for an upcoming concert.

Above: The PC Show Choir salutes the American flag during their performance "A USA Spectacular."

Top Left: The community choir takes a break during the Christmas concert.
Middle left: Brad Daniels directs the band through a Christmas song.

Bottom Left: Some members of the band provide entertainment for the Christmas party.

Top right: Show choir member Samantha Matthis sings her solo "Flashdance...What a Feeling" during "An American Music Revue."

# PC SPREADS CHRISTMAS CHEER

Members of the PC campus got into the Christmas mood this year. The cafeteria was the site of the Faculty-Student Christmas party. Entertainment was provided by the band. The meal was prepared by the cafeteria staff. On Dec. 5, a Christmas concert was held and members of the theatre class presented "The Christmas Eve Hijack Caper." The annual Appalachian Christmas Bazaar was held on Dec. 6th and 7th. Santa and Mrs. Claus were on hand to entertain the children. Presents were presented by the Round Table who sponsored an Angel tree to help the less fortunate. They proved the true meaning of the season. --by Kelli Chafin.

Top Right: Cathy Maynard and Dr. LaPresto show off their decorated Christmas tree.

Bottom Right: Faculty and students alike enjoy the Christmas party. Dr. Strosnider, Mark Layne, and Dr. Carol Grizzard wait in the buffet line.

Left: Hope Lester gets her picture taken with Santa Claus.

Top left: Santa gets a visit from a good little girl.
Bottom left: Eveanna Hunt, Crystal Cornette, Jennifer Biliter, and Kristie Goff help sign Christmas cards for the college.
Top right: Mrs. Claus reads a story to her young friends.
Bottom right: Dancers provided entertainment during the Christmas Bazaar.

### **HOMECOMING 97**

The Homecoming Dance was held on January 25th at the Landmark Inn. The dance was attended and enjoyed by students, faculty, and staff alike.

Right: Homecoming Queen Andrea Anderson and Justin Hall, take a moment to pose.

Middle: Martha and Bob Davis, along with Margaret and Greg Andraso, enjoy their homecoming dinner at the Landmark Inn. Bottom: Frankie Stacy, Marquita Bevins, Susie Fitzpatrick, Mindy Robertson, and David Jewell are ready to put on their dancing shoes!

Left: Hershena Hanshaw and her Left: Hersnena Hansnaw and her date hold on tight.
Middle: Girls just wanna have fun!
Sabrina Jude, Kristi Lafferty,
Kendra Hurley, and Christie
Chapman seem to be doing just that.

Bottom: Heath Terando and Raqui Stone relax for the camera after an evening of dancing.

# 70's DANCE

Top: "Peace to all!" indicate Valerie Fields, Ruthie Stepp and Tennille Newsome. Bottom right: Justin Hall and Andrea Anderson make a fashion statement with polyester.

Pikeville College students have a "far out and groovy time" dressing the part for the 70's Dance.

Top: Michelle Jones and Lori Smith are "Stayin' Alive." Middle: Dance fever! Bottom left: Erica "Smokey" Martin and Krissy Wyrick go retro for the dance. Bottom right: Back Row, left to right: Florene Burgess, Chris Jones. Front Row, left to right: Brandy

Robbins.

# PHONATHON '97 BREAKS ALL RECORDS

Top: Howard Roberts and Tiffany Miller show that they know how to talk for charity! Bottom, left: Kari Thompson, part of the Pikeville College cheerleading group, shows how much fun the phonathon is. Bottom, right: Jane Carpenter was only one of the numerous professors to help raise money for the scholarship fund.

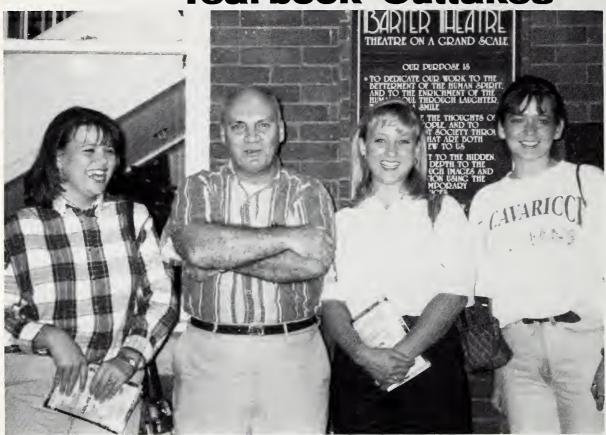

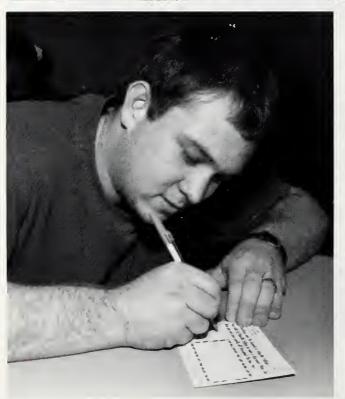

A record-setting \$127,382 was pledged to the Pikeville College scholarship fund during the 1997 Phonathon. This amount easily surpassed the \$125,000 goal set by the College and phonathon co-chairs. Wanda Varney and Danny VanHoose. Organizations from the Pikeville College community, such as PBL, alumni, and student volunteers, along with community businesses, donated their time and effort to raise the record-breaking pledges. In their efforts, \$35,275 was pledged in one night alone-the most money ever raised in one night.

# **Yearbook Outtakes**

# The Educational Journey

Classrooms are the depots for the train of education. The journey can be long and hard, but the destination is worth the trip. The classrooms at Pikeville College come in all shapes and sizes, and all colors and atmospheres. Some are too hot; some are too cold, but they all share one thing -- the knowledge that is obtained in them can propel you from a common student to an educated adult, ready to take on the real world.

Sometimes we don't want to visit the classrooms, but we know we can never achieve our goals without taking the

occasional stroll to class. Classrooms can become a place of wonder, a place of fun, or, more often, a place to dread visiting. However, we can never reach the end of the travels of education without our classrooms. --By Darrell Slone.

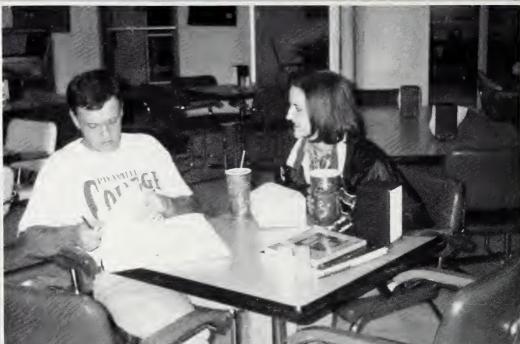

Opposite Page, Top: Joe Hughes shares his knowledge with Shelby Valley High School. Opposite Page, Bottom Left: Rachel Moore takes roll.

Opposite Page, Bottom Right: Kelly Blackburn warns her speech class about the hazards of the sun. Top: Kevin Hall has a conversation with Peggy Jones. Bottom: Cathy and Lynetta are way too happy to be in Mr. Arts' Physics class.

# College Dining: The Cafeteria and Bears' Den

A college student's daily travels can work up an appetite. Pikeville College students and faculty have the choice between two on-campus eateries, the Campus Dining Hall and the Bears' Den. Both offer a variety of delicious foods for students to choose from. In the cafeteria, the always popular "Steak Night" was held again this year. The Bears' Den is where many commuters can be found eating, studying, playing pool, or talking with friends. This year more dorm students are taking advantage of the Bears' Den with the introduction of a new meal plan system in which students can choose a plan that includes a certain number of meals in the cafeteria and additional "flex dollars" to be spent in the Bears' Den. So when students is looking for a place to grab a bite to eat, they always have two great choices.

many good meals served daily in the cafeteria. Bottom Right: Hershena Hanshaw and Linda Johnson

share a laugh in the cafeteria.

# The Wonderful World of the Library

A library is usually the place that a college student likes to go to the least and needs to go to the most. Pikeville College's Frank M. Allara Library is the home of a circulating collection, a reference section, a special collections room, four classrooms, a computer lab, and the tutoring center.

section, a special collections room, four classrooms, a computer lab, and the tutoring center.

This year, the library has been adding to its computer lab and preparing it to go online with the Internet. There are now ten computers available for students to use.--By Stephanie Warrix.

Opposite Page, Top Left: Hayley Cure and friend take time out in the ground floor lounge of Allara.

Opposite Page, Top Right: A slow day at the circulation desk must be the reason for the smiles of Deanna Charles and Neal Thacker.

Opposite Page. Bottom Left: Librarian Connie Maddox helps a student with a computer error.

Opposite Page, Bottom Right: Joe Pierson researches a paper on the E.R.I.C. Computer.

Top: SShhh, we're going into the library!

Bottom Left: One student diligently works on her homework.

Bottom Right: Lee Robbins, helps Jolene Martin with the card catalogue.

# WORK-STUDY GIVES STUDENTS PLACES TO GO

Top right: Angie May prepares glassware for use in the Chemistry labs.

Bottom left: Barbi Narramore gets some letters ready to mail as part of her work in the Student Affairs office.

Bottom right: Jocelyn Slone takes inventory in the Math and Science Resource Center.

Many PC students take part in the work-study program. This program lets students earn money for their college expenses by working part-time. There is a variety of jobs that students perform. While the majority of students work on campus, others work at Pikeville Methodist Hospital doing different tasks. On campus, you can find students working in the library, cafeteria and Bear's Den, in labs, the bookstore, the post office, tutoring center, and offices. Work-study offers students invaluable experience for what is to come after graduation. --by Kelli Chafin.

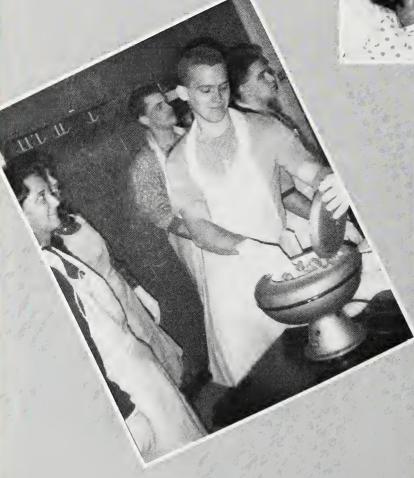

Top: Deanna Johnson and Olivia White seem to be enjoying their work-study duties. Above: Anita Bevins works hard in the Math and Science Resource Center.

# Labs: A Passport To The Real World

Labs are usually synonymous with science majors. However, at Pikeville College most students take at least one lab science course. These courses usually meet one day per week, and they serve to introduce students to real life scenarios where the principles learned in the lecture class can be applied. Lab courses at P.C. are an important aspect of various majors. The college offers labs in a variety of areas: from nursing and computer science to chemistry, physics, and the biological sciences. These courses provide students with a pathway to real world problem solving and analysis.--By Clyde Spence.

Opposite Page, Top: John Barrett laughs as he loses a pulse.
Opposite Page, Bottom Left: Mark Reed takes his test tubes for a spin.
Opposite Page, Bottom Right:

Top: Betty Martin, the Med. Tech. director at Pikeville Methodist Hospital, explains centrifuge techniques. Bottom Left: Deana Akers gets her first lesson in Bedpan 101.
Bottom Right: A P.C. freshman leams the ropes of the computer lab.

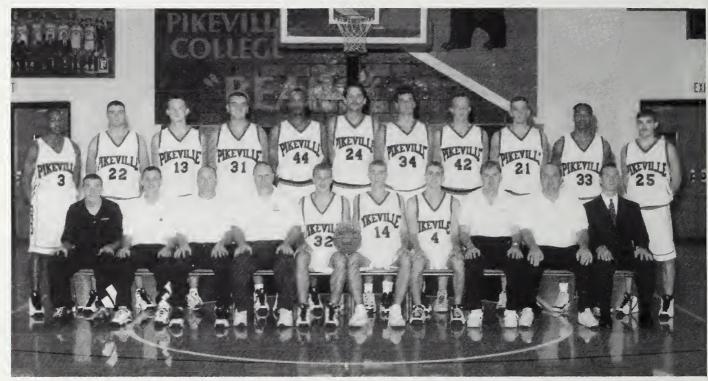

Athletics

#### **MEN'S BASKETBALL**

Above, sitting, left to right: Willis Newsome, Manager, Rodney Fuller, Asst. Coach; Robert Staggs, Asst. Coach; Roy Cutright, Head Coach; Barry Fannin, Matt Ratliff, Keith Fuller, Bill Watson, Asst. Coach; Eugene Newsome, Asst. Coach; Bernie Stasko, Trainer.
Standing, left to right: Shelby Roberson, Jamie Brown, Rodney Thompson, Roy Rogers, Clarance Moore, Chris Burke, Heath Terando, Lance Bowman, Robbie Royalty, Joe Pierson, James Hurley.

Below: Robbie Royalty goes for the slam while Rodney Thompson looks on.

It was a rough season for Coach Roy Cutright and the Bears. The team finished 5-28 this season and went 3-9 in the KIAC. The squad was led all season by senior Heath Terando. He finished this season averaging 16.7 points and 8.9 rebounds a game. He set a single-season mark for "recoveries," defined as steals and blocked shots, in a season with 145. The old mark was 141 and had stood for 20 seasons. He also joined the 1,000-point club in only his second year at Pikeville. He was an All-KIAC and All-Mid South Region performer. The highlight of the season came in the final regular-season game, when the Bears defeated Spalding University 82-80. The Bears trailed by a point with five seconds remaining when James Hurley dribbled the length of the court and hit a 40-foot three-pointer as the buzzer sounded for the win. The future looks bright too: the junior varsity Bears were 8-0 under Coach Bill Watson.

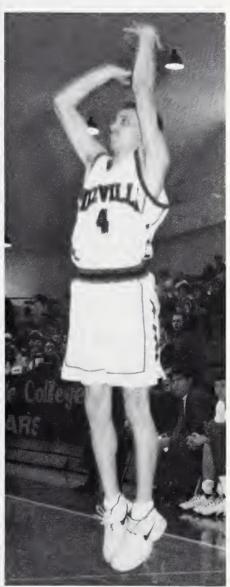

Left: Air Rogers!

Bottom left: Swish!

Bottom right: Fuller puts up a three...

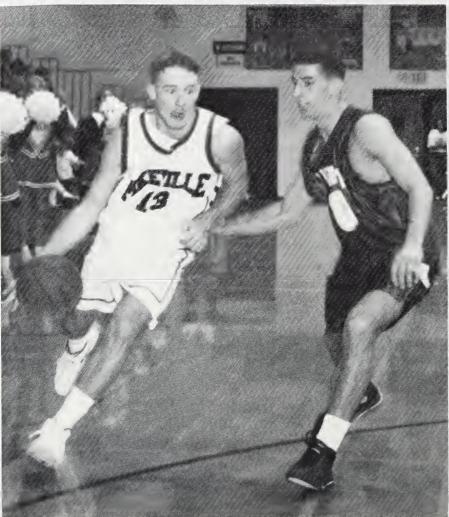

Top right: Terando puts up a jumper...

Bottom right: Barry Fannin prepares to make his move.

Bottom left: Dribbling past his opponent is no problem for Rodney Thompson.

Above: James Hurley puts the defensive moves on his opponent.

Above: Lance Bowman fights for the rebound.

Bottom: Keith Fuller pours on the "D".

Bottom: Roy Rogers for THREE!

#### **WOMEN'S BASKETBALL**

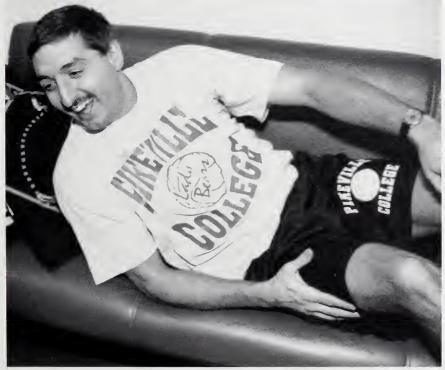

Sitting, left to right: Scotty Thacker, Manager, Kelly Blackburn, Misty Haynes, Jill Roesler, Melody Sturgill, Heather Schnell, Danielle Campanella, Kenetha Slone, Alicia Thacker, Manager. Standing, left to right: Autumn Damron, Assistant Coach; Bernie Stasko, Trainer, Jamie Runyon, Brandy Kazee, Robin Music, Rosemary Gilliam, Claudette Gillispie, Pam Pinson, Misty Clark, Randy Roberts, Head Coach.

The Lady Bears were 12-18 this season and 8-6 in the KIAC. Coach Randy Roberts' squad finished up strong, however, winning six of its last 10 contests. The Lady Bears had four players average double figures in the scoring column. Senior Melody Sturgill led the way, averaging 14 points per game. Rosemary Gilliam averaged 13.1 points, while Misty Haynes tossed in 11.3 and Claudette Gillispie averaged 10.0. Both Sturgill and Gilliam were All-KIAC picks. It was Sturgill's third time being so honored. Sturgill wrapped up a brilliant career, scoring more than 1,500 points. Gilliam had a remarkable sophomore season. Her 10.7 rebounds and 58.8 percent shooting both landed her among the nation's 10 best. The team had solid sucess in overtime games, winning three of four. Gilliam turned in an amazing performance against Indiana-Southeast on Jan. 11. Despite the team's overtime loss, she had 12 points and 25 rebounds on the night. Sturgill's best night probably came Nov. 25 against Morehead State. She stepped up against the NCAA Div. I opponent, scoring 15 points and grabbing 16 rebounds.

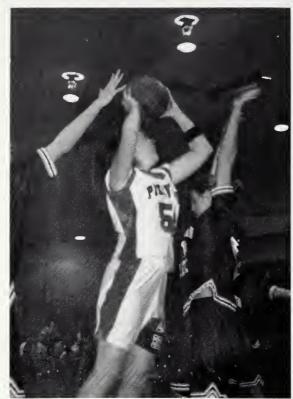

Top, left: Melody Sturgill puts up a shot against this Cumberland University player.

SHOW ME THE MONEY!

The Lady Bear Cheerleaders eagerly show off the money they earned during their yard sale. All proceeds from the sale helped purchase the cheerleaders' uniforms.

## **BASEBALL**

The 1997 baseball team finished 36-17 under third-year coach Johnnie LeMaster. They were 12-6 in the KIAC, finishing third behind Indiana-Southeast and Lindsey Wilson. They finished third in the postseason tournament at Corbin, behind Lindsey Wilson (1st) and Indiana-Southeast (2nd). Junior Chris Owens led the team in many offensive categories, including hitting (.418) and runs (50). Senior Kevin Varney and freshman Frank Conley led the team in homeruns with seven each. Varney led the team in RBIs with 48 and doubles with 14. Sophomore Jamie Owens led the team with 66 hits and five triples. Three Bears hit over .400, which is an amazing feat. They were Owens at .418, Conley at .409 and Joe Pierson at .403. Freshman Justin Royal was 8-1 with a 2.06 ERA. All three numbers led the team among the regular pitchers. Evan Charles and Mike Burchett had seven wins each. Burchett topped the team with 73 strikeouts, while Charles allowed opponents to hit only .195 against him. Nine Bears were named All-KIAC. First-team picks were Conley, Pierson, Chris Owens, Varney, Charles and Royal. Second-teamers were Alex Ward, Jamie Owens, and Bud Sanson.

Top: Captain Kevin Varney, senior, (left) checks his baseball equipment before taking the field. Bottom, left: Senior pitcher and captain Tommy Chamberlin hurls in a fastball. Bottom, right: Senior catcher and captain Justin Hall chats with the umpire between innings.

### SOFTBALL

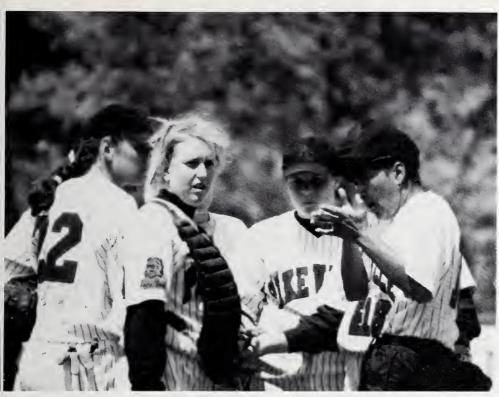

Coach Bill Baird's softball team finished the 1997 season 25-19 overall, including a 7-5 worksheet against KIAC opponents. They were third in the league and finished third in the conference tournament. Four players made the All-KIAC team this season. They were senior Nikki Burke, who batted .352; Jill Couch, who had a .345 batting average and led the team in extra-base hits with 19, doubles with 16 and RBIs with 40; Michelle Jones, the team's leading hitter with a .409 average who stole 48 bases, had 52 hits and scored 49 runs, all of which led the team; and Melanie Joyce, a freshman who won 14 games with a 3.04 ERA. Opposing batters hit only .232 off her. Krissy Wyrick pitched two no-hitters this season and had seven shutouts. The team opened the season winning seven in a row and nine of its first 10. They closed the year strong, winning 10 of their last 15.

Top: The Lady Bears' Coaching staff this season were Darlene Hollyfield and Bill Baird.

Bottom left: Sophomore pitcher Krissy Wyrick threw 7 shutouts and 2 nohitters for the Lady Bears this season.

Bottom right: Carolyn Reffitt, senior outfielder, slides at home to avoid the tag.

### **WOMEN'S TENNIS TEAM**

Left to Right: Chaunda Catron, Coach Frances Coleman, Patti Jo Davis, Jeanna Blanton, Susie Fitzpatrick, Amanda Hall, Lisa McCarty, Cathy Civis, Jenny Shepherd, and Asst. Coach Jim Carpenter.

#### Women's Tennis

Women's tennis was one of two new sports started at Pikeville College this year. The team was coached by Frances Coleman, who is considered the best women's tennis player in Eastern Kentucky. The team consisted only of students already enrolled at Pikeville College who were interested in playing tennis. None of them had played tennis in high school. The team did have some success, however. Freshman Lisa McCarty of Salyersville had a win in singles play in the fall, and in the spring, Chaunda Catron of Phelps and Heather Schnell of Jasper, Ind., won a doubles match.

#### **GOLF TEAM**

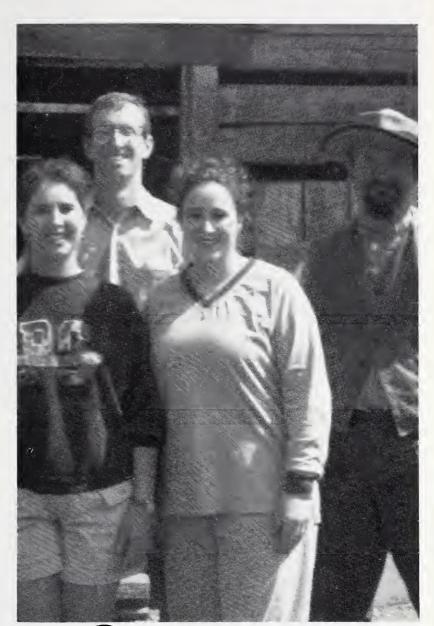

Left to Right: Back row: Brad Johnson, Ken Stiltner, Matt Mercer, Ryan Turner. Front row: Donnie Adkins, Barry Fannin, Nick Smith, James Riley, Coach.

#### **GOLF**

Another sport new to Pikeville College was golf. This wasn't the first golf team at the school, but it was the first since the 1970's. The team was coached by Dr. James Riley, an English professor at the school. Riley's team consisted only of students already enrolled at the school this year. "I think it was Ben Hogan who said I never learned anything from a golf tournament I won," Riley said at the athletic awards ceremony. "We learned a lot about golf this year." The future is bright, however, for golf at Pikeville College.

Organizations

#### THE BEAR FACTS

The Bear Facts arrived on campus at the same time the students did for the Fall 96 Semester. This new student newsletter replaced and expanded the This Week newletter which had previously been PC's official newsletter. The small staff dedicated themselves to meeting each deadline. Co-Editors Stephanie Warrix and Mindy Robertson head the list of student staff members that included Melissa Coleman, Valerie Coleman, Charles Epling, Susie Fitzpatrick, Becky Jacobs-Freeman, Dolores Hall, Tina Ratliff, Pam Slone, and Tonya Slone.

The Bear Facts published a special Christmas edition, a Valentine edition, and a tribute to Bill Owens during the 96-97 school

vear.

Above: Frankie Stacy and David Jewell give a "thumbs up" for the Academic Team.

This year the Academic Team was glad to welcome Robert Arts as a new coach and three new players: Frankie Stacy, Robert Finney, and April Stratton. They were sorry to lose temporarily Div. Il captain Michelle Chapman, when she was injured in a traffic accident. This year they participated in seven tournaments across Kentucky. The Div. Il team came in second at the Lexington Community College tournament in November.

### PHI BETA LAMBDA

Phi Beta Lambda, a national organization that promotes student success in business, was started at Pikeville College in 1967. PBL members sponsor and take part in a number of activities including many community service projects. During the holiday season, PBL provided a Christmas meal for many senior citizens in the area. PBL also spread Christmas Cheer around the campus by making a wreath to decorate the bottom of the "99." PBL members participate in Leadership conferences around the state. Pikeville College did very well at these conferences, coming away with several awards. PBL is led by President Jimmy Woods and Vice President David Jewell. Howard Roberts is the faculty advisor.

--by Kelli Chafin.

Below: Judge Executive Donna Damron signs a proclamation making November 15 American Enterprise Day in Pike County. Frankie Stacy, David Jewell, and Jimmy Woods joined Damron for the signing.

Next page: PBL members show off the wreath they made to decorate the "99."

# Student Government Association

SGA is an important and active group on the PC campus. It has been responsible for many of the activities that take place at PC. SGA allows students to take an active role in what goes on both academically and socially. One project that SGA works hard on for students is providing them with the Student Discount Card. Some of the many activities that SGA sponsored this year include a barbeque, Free Movie Night, Bowling Night, Hypnotist Night, "Singled Out" Dance, Homecoming Dance, Halloween Dance, Spring Formal, and the annual lighting of the campus during Founders' Day. SGA was led by President Justin Hall and Vice-President Beth Meade.--by Kelli Chafin

sponsored hypnotist, Jeff Jones thought he was Elvis. Above: Amber Moon helps light the campus during

Founders'Day.

1997 was a year that brought many changes to the Highlander staff. This year, production of the yearbook was moved to the External Affairs office. This year we also had a new faculty advisor, Brigitte LaPresto, and a new editor, Gordon Hensley. The staff itself was comprised of many new faces, and we occupied our new office in Wickham Hall. In keeping with this tradition of change, the yearbook staff worked hard to change the yearbook itself. Hopefully, the book you have just read looks much different than our yearbooks in the past. Through the past year, the staff has spent countless hours taking photos, writing copy, designing pages, and performing computer work. However, the staff feels that all the hard work was worthwhile, and we hope this book provides you with memories for years to come.

# **Table**

The Round Table, Pikeville
College's Psychology Club, is designed to
allow its members to become involved in
community service. Sponsored by Mark
Sohn and Willa Webb, the group held
numerous bakesales on campus to raise
money to help support its causes. The
club spearheaded a Secret Santa drive
for over a hundred area children and also
delivered Easter baskets to surrounding
schools.

Left: The Round Table members present Elgin Ward with a check for Dollars for Scholars.

# **Pre-Professionals Club**

Formed in 1995, the Pre-Professionals Club is designed to present information to its members about various healthcare related careers and to promote interest in the fields to students. Faculty sponsor Glenn Brown and President Crystal Jones did a wonderful job with this year's sessions. Some of the speakers they invited were Karissa Porter, Physical Therapist, Linda DeRossett, Occupational Therapist, and Dr. Joey Collins, Veterinarian.

Above right: Marsha Johnson and Cathy Civis sneak a smile for the camera at the club's Christmas Party.

Right: Dean of Students Ron Damron and Tim Owens look as if they are discussing an important topic.

# **KEA-SP**

KEA-Student Program is sponsored by the Kentucky Education Association. It is designed to help students and student teachers in their pursuits toward improvement of the teaching profession. Faculty member Jane Carpenter and this year's officers: President, Lora Smallwood; Vice President, Brian Dobson; and Secretary-Historian, Stephanie Dobson led this year's group well.

# **FELLOWSHIP OF CHRISTIAN ATHLETES**

The Fellowship of
Christian Athletes mission is to
encourage athletes, coaches,
and all whom they influence to
receive Jesus Christ. It is under
the leadership of Huddle Coach
Bill Baird and Faculty Advisor
Robert Davis.

Special events this year included the Multiple Sclerosis Walkathon, a presentation to the Pikeville High School FCA, distribution of "goodie bags" during finals, and presentation of Bibles.

The State FCA organization honored Coach Bill Baird for Outstanding Coach and Jill Couch for Outstanding Female College Athlete.

Top: Members socialize with one another following a meeting.

### PHI ETA SIGMA

Left to Right: Bob Davis, Patti Jo Davis, Renee Akers, Jill Couch, Clyde Spence.

Phi Eta Sigma is an academic honorary dedicated to paying tribute to outstanding students at colleges and universities all over the world. Currently, Phi Eta Sigma is the only academic honorary at Pikeville College. To be eligible for membership, a student must have earned a 3.5 GPA during either semester of his or her freshman year. Once initiated, membership is for life. Many of our most talented students include membership in Phi Eta Sigma as part of their academic achievements.

In 1996-97, two groups of students were admitted into membership. One group, initiated during the Fall semester, included: Angela Anderson, Darran Long, Clyde Spence, Jr., Patti Jo Davis,

Patrese Damron, Renee Akers, and Jill Couch.

The other group, accepted for membership during the Spring semester, included: Lisa Kelly, Pamela Pinson, and Lori Burke. The second group will have its formal initiation in the fall of 1997. Robert Davis is the Faculty Advisor.

## World Travelers

During the past year several P.C. faculty members and their families traveled the globe. They traveled in search of fun, relaxation, and historical sites. We proudly present just a few of the many "far-reaching" adventures undertaken by representatives of Pikeville College.

Top: Gerri and Ken Kinder take time out for a photo during their visit to the Colosseum in Rome.

Bottom: After riding together for ten days on a bicycle tour of France, Kathy was still speaking to husband Mark Sohn as she snapped this picture.

Top Left: Basil Clark's wife Emma and granddaughter really seem to enjoy their adventures on a U.S. submarine.
Top Right: Brigitte and Craig LaPresto on the Baltic Coast, near Rostock, in the former East Germany.

Bottom: Glenn Brown sports a Pikeville College hat as he and wife Peggy visit St. Maarten Island while on a Caribbean cruise.

Graduation

Top: These nursing students anxiously wait for the program to begin.

Bottom: The nursing students enjoy a laugh during the pinning ceremony.

Top: Larisa Lucas Johnson is congratulated after being "pinned."

Bottom: Nurses pinning ceremony.

## 1997 ALUMNI/SENIOR BANQUET

The Alumni/Senior
Banquet, held on Friday, May 9th,
provided an excellent opportunity
to honor the graduating class of
1997 and the class of 1947.

Right: After receiving the Honorary Alumnus Award, President Owens expresses his gratitude to Pikeville College for his twelve years as president.

Right: David Jewell, Vanis Bevins, and Audie Stewart are all smiles at the banquet. It may be because graduation is only one day away!

Bottom: Danny Poelinitz "94, drove from Chicago to attend the Alumni/Senior Banquet. He is shown here with Gerri Kinder, Director of External Affairs.

Above: Matosha Bartley and Joey Thacker enjoy the program and the many alumni and seniors honored.

Top: P.C. Professors Howard Roberts and Robert Arts enjoy the food during the Alumni/Senior brunch while senior Stefanie Warrix looks on.

Middle Left: Professor Mary Beth Ulrich waits in the buffet line.

Middle Right: Professor
Carol Grizzard fills her plate
with good food at the brunch.
Bottom: Mark Klinepeter,
Pam Slone, David Jewell,
and Stephanie Warrix talk to
Professor Brigitte LaPresto
during the brunch.

The Memorial Brunch was held in Allara Courtyard on Saturday before the Commencement ceremony. Students, faculty, staff, and friends were among those present for this last pre-graduation gathering.

Left: Jr. Marshall Amy Bartley Moore guides the faculty into a line outside the gym.

Middle: Junior Marshall Pam Stewart (right) talks with honor graduate Kristy White before Commencement begins.

Bottom: Angela Newsome and her family outside the gym waiting for the processional.

## 1997 GRADUATING

Top Right: Pikeville College's graduating Class of 1997 marches in to "Pomp and Circumstance."

Top Left: Elizabeth Oviedo and Ronnie Parker share a few words before the ceremony begins.

**Bottom:** Retiring President William Owens addresses his final graduating Class at Pikeville College.

Top: Kansas Merideth and Teena Thacker talk to Dr. Bryan Hearn with diplomas in hand after the Commencement Exercises.

Center: There were four generations of this graduate's family present for Saturday's events: Shirley Hughes, Jessica Fields, Cheryl Fain, and Edith Tackett (left to right).

Left: Paula Cool and her daughter Lauren pose with graduate Damian Johnson.

## Closing

Producing a yearbook is no easy endeavor. Throughout the past year many people have worked hard to make this book possible. I would like to extend a huge THANKS to the following:

- -The 1997 Highlander staff: Clyde Spence, Stephanie Warrix, and Kelli Chafin. This staff is the most hardworking group of students on campus. They spend many hours taking photos, writing copy, designing pages, and editing. They are the reason this book is so creative.
- -Brigitte LaPresto, who accepted the role of faculty advisor. She has spent a great deal of time structuring and organizing the production of this book. She has also been a driving force who always encourages the yearbook staff to strive to be their best.
- -Tom Brush and Jude Ritchie, our "Jostens" representatives. They are always there to support us and answer all the questions we have about yearbook production.
- -Gerri Kinder, Teresa Smith, and the entire External Affairs staff. They provided us with photos, copy, and aided in every stage of production. The External Affairs office acts as a great support for the yearbook staff.
- -Chandra Arts, for editing most of this book's copy. She also contributed to the book's modern layout design.
- -Gene Stout, for providing us with countless photos as well as many, many hours of photo developing.
- -Howard Francis, who took almost every sports photo in this book.
- -Jim Workman, for giving us technical advice on all computer matters.
- -Pat Kowalok, for her beautifully drawn cover and artwork which appears throughout this book.
- -Connie Maddox and Sarah Brown, for providing the staff with the use of the library computers.
- -Cathy Maynard, for aiding us in a variety of tasks and for putting many of the book's pages into the computer.
- -Rick Bentley, Sports Information Director. He submitted detailed information on all of PC's sports.
- -I would also like to thank the following people for lending a hand on the yearbook staff: Jocelyn Slone, Darell Slone, and Hershena Hanshaw.
- -The PC faculty, for always supporting us and submitting personal photos and copy for organizations.
- -The PC student body. Without such active and interesting group of students, this book could not exist.

Sincerely.

Gordon Hensley
Editor, 1997 High

Editor, 1997 Highlander
